

EZ Programs by Fitness Finders®

First, Fitness Finders® created Mileage Club® - the #1 youth run club in North America.

Next, we made Toe Tokens® - the best-selling run club incentive for kids.

Then, came EZ Tally® to keep track of lap data.

Now, Fitness Finders® has created EZ Scan® and EZ Scan® + Timing – the EZ-to-use and most economical technology available to count, record, and time laps.

The chart below makes it EZ for you to choose which EZ program best fits your needs!
